Bristol, North Somerset and South Gloucestershire CCG	Bristol, North Somerset and South Gloucestershire CCG	Oct-20	Accepted		Extract from NHSE/I email: "Back in May, Avios Group and British Airways launched an Appeal to the British Airways Executive Club Members to join them in donating their Avios points to NHS staff thanking them for the amazing work they have been doing during the Covid-19 pandemic. At the end of the Appeal they raised 305 million Avios points, enough to thank over 5,000 NHS staff. Nominated staff will receive 60,000 points each which is enough to buy either flights, a weekend away for two in a hotel, or other trips and leisure activities. We are now writing to all STPs and ICSs to ask for support in distributing this amazing offer, and to engage with their local NHS organisations to encourage nominations of NHS staff to receive the Avios points. To ensure the Avios points awards were distributed fairly across England we asked Avios to calculate the number of awards per STP/ICS based on local NHS workforce size (NHS trusts, CCGs and Primary Care). We suggest that each STP/ICS assign the Awards to their local organisations proportionally to their NHS workforce. Bristol, North Somerset and South Gloucestershire STP has been allocated 74 awards (each Award is 60,000 Avios points)." BNSSG STP has decided to allocate them to partners	60,000 points is enough to buy either flights, a weekend away for two in a hotel, or other trips and leisure activities.	Avios Group and British Airways. Leisure and travel business.	NHSE/I have essentially approved this gift by working with the Avios Group and British Airways and co-ordinating the distribution	Dave Jarrett - 10.11.20
