1. Purpose

This report provides an overview of BNSSG CCG contracts and performance in 2018/19 year to date.

2. Recommendations

To note the performance and contractual status of Primary Care

3. Financial Resource Implications

There are no specific financial resource implications highlighted within this paper. Any contractual change requests will be considered via separate papers and will include any relevant financial implications.

4. Legal Implications

There are no specific legal implications highlighted within this paper. Any contractual change requests will be considered via separate papers and will include any relevant legal implications.

5. Risk Implications

There are no specific risk implications highlighted within this paper. Any risks associated with contractual change requests will be considered via separate papers and will include any relevant risk implications.

6. Implications for Health Inequalities

Monitoring of Primary Care performance will highlight any areas of health inequalities within BNSSG CCG which will be addressed accordingly.

7. Recommendations for Equalities (Black and Other Minority Ethnic / Disability / Age issues)

Monitoring of primary care performance alongside practice demographic information will help to highlight areas of variation of services, which will then be addressed accordingly.

8. Implications for Public Involvement

Whilst there has not been consultation and communication with the public in the production of this paper, patient experience and public involvement is recognised as an important factor in reviewing and gaining assurance regarding primary care services.
