Report title: **GP Contract Reform Update 2019**

Report Author: Louisa Darlison, Senior Contract Manager

Report Sponsor: Lisa Manson, Director of Commissioning

1. Purpose and Recommendations

This paper will update the committee on the detail of the new GP contract reform/framework and the high level impacts across Primary Care providers.

2. Background

On Thursday 31st January NHS England Board published 'Investment and evolution: A five-year framework for GP contract reform to implement The NHS Long Term Plan' (31 January 2019: - *NHs England and BMA*).

3. Financial Resource Implications

Funding comes through the CCG allocation and delegated budget for Primary Care. Further guidance to support budget setting is expected in March 2019.

4. Legal Implications

There are no specific legal implications highlighted within this paper.

5. Risk Implications

There are no specific risk implications highlighted within this paper

6. Implications for Health Inequalities

The changes for extended hours DES will support the commissioning of full population coverage, something which is not currently achieved with 16 practices not opting to take up the current extended hours DES.

7. Recommendations for Equalities (Black and Other Minority Ethnic / Disability / Age issues)

There are no specific risk implications highlighted within this paper

8. Implications for Public Involvement

There are no specific Public Involvement implications highlighted within this paper.
