

GP Plain Imaging (X-Ray)

Patient information:

From 27 July 2020 North Bristol NHS Trust will be introducing an appointment system for all GP Plain X-Ray requests

The X-Ray requests will be made electronically by your GP, and you will need to call the North Bristol NHS Trust GP appointment centre in order to agree an appointment location and time. The appointment line is open Monday –Friday 08:45-16:15 hours

This is a change from our previous walk-in service, and is in response to Public Health England instructions to ensure the safety of our patients and staff.
